## MANUFACTURING SERVICES AGREEMENT

This Manufacturing Services Agreement (“Agreement”) is entered into as of June 25, 2025, by and between:

**MSHINGES.COM, LLC**, a Nevada limited liability company with its principal place of business at 2937 North Lamb Blvd., Las Vegas, Nevada 89115 (“MSHinges”), and

**Aircraft Hinge, Inc.**, a California corporation with its principal place of business at 26074 Hall Ave Unit 16.

Valencia, California 91355 USA (“Aircraft Hinge”).

Collectively, MSHinges and Aircraft Hinge may be referred to herein as the "Parties" and individually as a "Party."

### RECITALS

WHEREAS, MSHinges is a debtor-in-possession in a pending Chapter 11 bankruptcy case filed in the United States Bankruptcy Court for the District of Nevada (the “Bankruptcy Court”), captioned *In re MSHinges.com, LLC*, Case No. 23-13223-mkn, which was commenced on September 28, 2023 (“Bankruptcy Case”);

WHEREAS, MSHinges operates a manufacturing facility and employs skilled labor and equipment for the production of aerospace hinge assemblies and related components;

WHEREAS, Aircraft Hinge engages in contracting with aerospace and government customers and currently holds various customer purchase orders (“POs”) for the fabrication and delivery of aerospace components;

WHEREAS, Aircraft Hinge currently leases the manufacturing facility from MSHinges, and the Parties desire to formalize a services relationship that complements this lease arrangement;

WHEREAS, the Parties desire to establish a services relationship whereby MSHinges will perform manufacturing and production services for Aircraft Hinge pursuant to the customer POs held by Aircraft Hinge, and agree that all contract rights, performance rights, and revenue streams under such POs shall be legally and beneficially assigned to MSHinges, such that MSHinges shall have the exclusive right to perform, while Aircraft Hinge shall continue to invoice and collect on behalf of MSHinges as part of the services it performs under this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, and for good and valuable consideration, the sufficiency of which is hereby acknowledged, and subject to approval by the Bankruptcy Court, the Parties agree as follows:

- (1) No provision of this Agreement shall be operational or binding unless and until the Bankruptcy Court enters an order approving the Agreement.
- (2) The effective date of this Agreement (the “Effective Date”) shall be the date on which the Bankruptcy Court enters an order approving this Agreement on the docket in the Bankruptcy Case.
- (3) This Agreement is entered into as of the Effective Date and is intended to prospectively govern the operational and financial relationship between the Parties from the Effective Date forward.
- (4) While the Parties acknowledge their prior informal collaboration, this Agreement shall not be construed to retroactively alter or recharacterize any prior conduct or financial reporting, and shall instead serve as the operative agreement beginning on the Effective Date.

The following schedules evidencing the now-existing assets that MSHinges will be acquiring pursuant to this Agreement are incorporated herein by reference for evidentiary and illustrative purposes only, and do not independently create or imply any enforceable obligations beyond those set forth in this Agreement:

Schedule 1: Backlog Schedule and all Verified Purchase Orders Identified Therein;

Schedule 2: Work in Progress Log and all Verified Purchase Orders Identified Therein;

Schedule 3: AR Aging Report and all Verified Purchase Orders Identified Therein;

Schedule 4: Copy of the Lease Agreement between MSHinges and Aircraft Hinge.

In addition, the Parties agree that all receivables and contract rights arising from or relating to the purchase orders identified in Schedules 1 through 3 shall be deemed irrevocably assigned to MSHinges for purposes of performance, revenue collection, and estate valuation.

To effectuate this, Aircraft Hinge shall initially receive all customer payments associated with these purchase orders into its own designated deposit accounts to preserve continuity and contractual expectations with existing customers. Thereafter, within seven (7) business day of receipt, and in accordance with Section 2.2 below, Aircraft Hinge shall transfer the full amount of such payments, net of permitted deductions as set forth herein, to a MSHinges-controlled deposit account or lockbox. MSHinges shall book and report all such income on its Monthly Operating Reports filed with the U.S. Trustee. All customer payments received by Aircraft Hinge constitute property held in trust for the benefit of MSHinges.

Additionally, the Parties acknowledge and agree to the following supplementary provisions:

1. From time to time, Aircraft Hinge may subsidize capital expenditures incurred by MSHinges. Any such subsidies shall be documented and agreed upon in writing.

2. Aircraft Hinge shall pay the mortgage obligation directly to Fidelity<sup>1</sup> in lieu of making monthly lease payments to MSHinges under the facility lease.
3. The Parties share a common Quality Assurance (“QA”) certification program, which is recognized by the certification agency as applicable to both entities. Aircraft Hinge hereby grants MSHinges a fully paid, non-exclusive license to use such certifications in connection with the Services contemplated herein and to represent such certifications to customers and regulators for the duration of this Agreement.
4. The Parties acknowledge that the certification agency recognizes MSHinges and Aircraft Hinge as equivalent in terms of QA certification due to their shared ownership and management structure.

## 1. ENGAGEMENT AND SCOPE OF SERVICES

**1.1 Manufacturing Services.** Aircraft Hinge hereby engages MSHinges to perform, and MSHinges agrees to perform, all manufacturing, fabrication, assembly, finishing, packaging, and quality assurance services necessary to fulfill the customer purchase orders held by Aircraft Hinge as of the Effective Date or subsequently issued during the Term (collectively, the “Services”).

**1.2 Administrative Services.** In addition to its role as contract holder with the end customers, Aircraft Hinge shall serve as the administrative and billing conduit for the Services rendered by MSHinges. Aircraft Hinge shall remain responsible for customer-facing functions including issuing invoices, administering contract correspondence, facilitating customer communications, and collecting payment. Aircraft Hinge shall promptly remit such collections to MSHinges in accordance with Section 2.2 and shall perform these functions solely in furtherance of MSHinges’ operational fulfillment of the assigned POs. Aircraft Hinge shall not assert any beneficial interest in the collected revenue and shall hold all such proceeds in trust for MSHinges.

**1.3 Work Location.** All Services shall be performed at MSHinges’ facility located at 2937 North Lamb Blvd., Las Vegas, Nevada 89115.

**1.4 Exclusivity.** During the Term of this Agreement, MSHinges shall be the exclusive provider of manufacturing services for Aircraft Hinge for all customer POs involving fabricated aerospace components.

## 2. COMPENSATION AND PAYMENT TERMS

**2.1 Service Fee.** Following the Effective Date, Aircraft Hinge shall remit to MSHinges one hundred percent (100%) of the gross proceeds collected from customers pursuant to each PO, less any applicable sales tax, direct third-party pass-through costs identified in writing, and

---

<sup>1</sup> “Fidelity” as used in this Agreement shall mean Fidelity National Title Insurance Company, the first position mortgage lien holder on the Work Location.

Aircraft Hinge's actual, reasonable operating expenses directly related to customer acquisition, contract administration, and fulfillment support, including but not limited to the cost of all material, purchase order processing, shop aids, and direct and indirect labor costs, such as health insurance, workers' compensation insurance, and property insurance. All such customer proceeds shall be directed into a deposit account controlled by MSHinges, from which Aircraft Hinge may be reimbursed for such expenses by invoice and supporting documentation. Such expenses must be documented and submitted monthly to MSHinges for approval. MSHinges reserves the right to review and dispute any such expenses deemed excessive or unrelated, and any disputes shall be resolved within ten (10) business days of submission.

**2.2 Payment Timing.** Following the Effective Date, Payments shall be made to MSHinges within seven (7) business days of Aircraft Hinge receiving payment from the end customer, or sooner if commercially practicable, in accordance with the provisions set forth above. Invoices submitted by MSHinges to Aircraft Hinge for monitoring and reconciliation shall include cross-referenced PO and job tracking numbers.

**2.3 Retention of Title.** MSHinges shall retain title to all work-in-progress, raw materials, and finished goods until such time as the finished product is delivered to the end customer. MSHinges retains title to the goods and is the performing entity under each PO, while Aircraft Hinge serves solely as the administrative and billing conduit. MSHinges shall also record lease income related to the manufacturing facility in its operating reports, regardless of whether the monthly mortgage payment is made directly by Aircraft Hinge to Fidelity.

### **3. TERM AND TERMINATION**

**3.1 Term.** This Agreement shall commence on the Effective Date and shall continue for a term of one (1) year, renewing automatically for successive one-year terms unless terminated as provided herein.

**3.2 Termination.** Either Party may terminate this Agreement upon thirty (30) days' prior written notice. Notwithstanding termination, MSHinges shall be entitled to full compensation for any Services completed or in progress, based on agreed-upon milestones or a pro rata value of completed work. The Parties shall conduct a final reconciliation of all accounts and deliverables upon termination. All financial activities, including subsidies and lease payments, shall be accounted for and disclosed in the Monthly Operating Reports filed with the U.S. Trustee in connection with MSHinges' bankruptcy case.

### **4. REPRESENTATIONS AND WARRANTIES**

**4.1 Authority.** Each Party represents and warrants that it has the full power and authority to enter into this Agreement and to perform its obligations hereunder.

**4.2 Compliance.** The Parties shall comply with all applicable laws, regulations, and industry standards in performing their respective obligations. In the event of non-compliance, the breaching Party shall have ten (10) business days to cure the breach upon written notice, after which the non-breaching Party may terminate the Agreement or seek appropriate equitable relief.

In cases of third-party regulatory claims, the breaching Party shall also be responsible for any resulting damages or liabilities. Additionally, the Parties agree to include any material activity under this Agreement in the debtor's monthly filings with the U.S. Trustee or Bankruptcy Court.

## **6. DEFAULTS AND REMEDIES**

**6.1 Events of Default.** MSHinges may terminate this Agreement if Aircraft Hinge fails to remit payments in accordance with Section 2.2, withholds material information related to receivables or purchase orders, or otherwise materially breaches this Agreement.

**6.2 Remedies.** In the event of default by Aircraft Hinge, MSHinges shall be entitled to seek injunctive relief, specific performance, or damages as appropriate.

## **5. MISCELLANEOUS**

**5.1 Common Ownership and Operations.** The Parties acknowledge that they are separate legal entities operating under common ownership and management. While each Party maintains its own corporate existence and obligations, they function in an integrated and coordinated manner, including the sharing of operational infrastructure and Quality Assurance certifications. Nothing in this Agreement shall be construed to create a partnership or joint venture, but the Parties affirm their collaborative role within a unified operational framework. Notwithstanding such collaboration, each Party agrees to maintain separate tax filings, payroll, accounting systems, financial records, corporate formalities, and bank accounts to preserve legal separateness unless and until a court of competent jurisdiction orders substantive consolidation. Each Party further agrees that nothing in this Agreement shall operate to shift or merge legal obligations or liabilities without the express written consent of both Parties.

**5.2 Assignment.** This Agreement may not be assigned by either Party without the prior written consent of the other, except to an affiliate or successor entity, provided that written notice of such assignment is given to the other Party within ten (10) business days. For purposes of this section, "affiliate" means any entity controlling, controlled by, or under common control with the assigning Party, and "successor entity" includes any entity resulting from merger, reorganization, or acquisition.

**5.3 Entire Agreement.** This Agreement constitutes the entire understanding between the Parties with respect to the subject matter and supersedes all prior or contemporaneous agreements.

**5.4 Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Nevada.

**5.5 Waiver of Interest in Receivables.** Aircraft Hinge expressly waives any right, title, or possessory interest in any receivables post-collection and affirms that all such funds shall be held in trust for the benefit of MSHinges.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Effective Date.
